[Organizers]

MLH
MAJOR LEAGUE HACKING

We're **Hack_NCState**!

- NC State's best hackathon organizers on campus.
- **We're over 10 years old!**
- Fun fact: half of the directors are named Ethan.

We're APPLIED AI CLUB AT NC STATE.

- We hold workshops with companies and speaker events
- This is our first Semester!
- Applied AI Club WOOHOO!

Hosted by HACKTOBERFEST 26

Schedule

- **10:30 AM** - Hacking Begins
- **11:45 AM** - Meal/Snack/Etc.
- **02:45 PM** - Projects Due

Demo Judging

- ***Relevance & Problem Definition***
  - Do you meet the requirement of the challenge(s) you chose?
  - Yes / No
- **Impact & Value**
  - How much of an impact would this project make in its field? Is the potential impact clear, positive, and credible?
  - Rating of 1 - 5

MLH MAJOR LEAGUE HACKING

Demo Judging

- **Innovation & Creativity**
  - Does the project solve or address the challenge in an engaging or creative way?
  - Rating of 1 - 5
- **Feasibility & Scalability**
  - Given more time and resources, is this project capable of expanding in its field? Is it realistic?
  - Rating of 1 - 5

Demo Judging

- **Technical Execution**
  - Does the prototype work enough to get the point across? Does it express/apply a technical concept well?
  - Rating of 1 - 5

- **Demo & Communication**
  - Was the demo done professionally? Does *the team* explain the goal, purpose, limitations, next steps, and so on in a concise, respectable manner?
  - Rating of 1 - 5
